Access Code #_____

ACCESS CODES

Please fill out the following information in order to utilize the electronic door to your building. There is only one door/entrance that you can open from your unit—the front door of the building. You cannot buzz a guest in unless they are at the door where your name is programmed on the directory.

Name (last name, first name or initial)

Home phone number (Some cell phones don't work)

MR# (Parking space #)_____

Address_____

E-mail address(es):_____

After your code is input, the system will ring your telephone when you have guests. Once you answer the phone and identify your guests, press "5" on your phone and the door will open. (39821 building press "9".)
